

Have to wear a seatbelt, helmet on motorcycles, cannot discipline my child, pledge allegiance at football games, pray in school and my father fought to protect my freedoms. What a joke. now I may be at the mercy of an internet carrier not of my choosing? just as I am not able to choose a gas company, electric company or telephone company. WOW!!!!!!! land of the free!!!!!! let me make choices, please. ---Margaret Amis, aka, pooh@comanchetx.com.
